Things to keep in mind:

Since these events are intended to encourage socializing and interacting with others, please limit the use of electronics unless needed to assist with communication. We are a casual group and want to provide a safe and positive environment for everyone, so please be mindful of that with what you say and how your actions could affect others. If you are not sure what is not appropriate, please let us know and we will be happy to let you know.

**Remember, at least one parent/caregiver must remain on the premises for those under 18 or that need assistance/guidance. While we encourage independence, we want to make sure everyone feels safe and that the environment is a positive one. There will be a designated space for parents and caregivers to hang out and interact with each other as well.*
