

Autistics United Presents : Movie Night The Reason I Jump

The Reason I Jump

2020 · Documentary · 1h 24m

“Based on the bestselling book by Naoki Higashida, **THE REASON I JUMP** is an immersive cinematic exploration of neurodiversity through the experiences of nonspeaking autistic people from around the world. The film blends Higashida’s revelatory descriptions of his autism, written when he was just 13, with intimate portraits of five remarkable young people. It opens a window into an intense and overwhelming, but often joyful, sensory universe, a rich tapestry that leads us to Naoki’s core message: not being able to speak does not mean there is nothing to say.”
