5TH ANNUAL SOUTHEAST ADULT AUTISM SYMPOSIUM

July 23 and July 24 - Zoom Webinar - The 5th Annual Southeast Adult Autism Symposium will take place on Zoom Webinar on July 23 and July 24. This Symposium is planned and coordinated by autistic adults who pick presenters and topics that are especially relevant to autistic adults. It is one of the very few conferences that is focused on adults on the autism spectrum. We also welcome parents, caregivers, educators, and professionals who want to learn more about important topics in the adult autism community.

Our partnering sponsor for this Symposium is Autism Improvised, Inc. The registration fee is \$25 for both days of the conference, live on Zoom Webinar. People can register for the Symposium by going to www.gcaspies.org. Registration fee waivers are also available for those experiencing financial hardship.

About GCA Centre for Adult Autism:

The GCA Centre for Adult Autism, founded by Scott Kramer, is an organization for adults on the autism spectrum that is organized and run by adults on the autism spectrum. GCA's two main core competencies and strengths have been in the areas of support groups and social events for adults on the autism spectrum. GCA's support groups and social events take place in Greater Chattanooga and Metro Atlanta areas. All social events are family friendly.

About Autism Improvised:

Autism Improvised, Inc. uses applied improv and theatre programs to help grow social communication skills and adaptive thinking of children through adults affected by autism and related conditions. For more information about them, you can visit their website autismimprovised.org.

For general questions about the Symposium, please contact Jamie Mackintosh at jamie.mackintosh@chattanoogaautismcenter.org or Kevin Fox at kevin.fox@chattanoogaautismcenter.org.
