**Open to all ages and abilities;**

**Those on the Autism spectrum**

**along with their parents and Friends**

**In light of Covid-19, we will be following these safety guidelines:**

- The New Executive Order states that fully vaccinated individuals can resume activities without wearing a mask or physically distancing themselves in most cases. The recommendation for unvaccinated individuals is to continue to wear face coverings. However, Sky Lanes leaves the decision up to each individual as to whether or not to wear a mask. All of us should continue to wash our hands or use hand sanitizer.
- Stay home if you are sick or exhibiting symptoms

**Note: Try to give your young autistic their independence. It's perfectly okay to go help them when they need it, but you should also allow your child/person you're supporting to practice their independence in the group in their own way. Please remain in the facility while the group is in session. Please remember that if you have to leave we, the A.U. nonprofit, cannot be held responsible for any accidents or issues that may occur. For this reason, it is best to stay on site.**

**Things to keep in mind:**

Since these events are intended to encourage socializing and interacting with others, please limit the use of electronics unless needed to assist with communication. We are a casual group and want to provide a safe and positive environment for everyone.
