All ages and abilities! Feel free to invite your family and/or friends to tag along!

What?

We encourage everyone to bring their favorite board games or video games. ****You will need your own video game console and tv monitor screen if you want to play video games**** You are welcome to bring tabletop/board games, card games, role-playing games, and anything from Bingo, Uno or Surgery Sam! Preferably 2 or more player games! We will always accept board/tabletop game donations!

In light of Covid-19, we will be following these safety guidelines:

- The New Executive Order states that fully vaccinated individuals can resume activities without wearing a mask or physically distancing themselves in most cases. The recommendation for unvaccinated individuals is to continue to wear face coverings. We appreciate you following this guidance. All of us should continue to wash our hands or use hand sanitizer.
- Stay home if you are sick or exhibiting symptoms

Note: Try to give your young autistic their independence. It's perfectly okay to go help them when they need it, but you should also allow your child/person you're supporting to practice their independence in the group in their own way. Please remain in the facility while the group is in session. Please remember that if you have to leave we, the A.U. nonprofit, cannot be held responsible for any accidents or issues that may occur. For this reason, it is best to stay on site

Things to keep in mind:

Since these events are intended to encourage socializing and interacting with others, please limit the use of electronics unless needed to assist with communication. We are a casual group and want to provide a safe and positive environment for everyone. For General information, find out more at our new website:
