

Autistic Teens & Young Adults United Afternoon of Anime

What?

We meet up for a variety of fun social activities! Fun workshops, special interest nights and more! Autistics United is a non-profit organization run by Autistics, for Autistics (and families and friends)!

This event is for all anime lovers! We encourage you all to bring your favorite anime YouTube Clips. Also bring your Amine paraphernalia to show off such as comic books, figurines and clothing, etc.

First, we will catch up with each other and then each person can take a turn sharing their favorite Anime YouTube clip or short video. We will have a computer for this. We will watch everybody's favorite clips and have a fun discussion and share all things anime!

When? Saturday, January 15 from 1-3 p.m.

Where?

Arms Around ASD @Asheville Mall 3 Tunnel Road, Suite L-40, Asheville, NC 28805

Who?

Autistic teens and young adults and their families/caregivers

What to bring?

Bring a family member or friend. Bring a snack or drink if you would like. Just make sure to clean up after yourself and throw your trash away.

Note: Try to give your young autistic their independence. It's perfectly okay to go help them when they need it, but you should also allow your child/person you're supporting to practice their independence in the group in their own way. Please remain in the facility while the group is in session. Please remember that if you have to leave we, the A.U. nonprofit, cannot be held responsible for any accidents or issues that may occur. For this reason, it is best to stay on site.

Things to keep in mind:

Since these events are intended to encourage socializing and interacting with others, please limit the use of electronics unless needed to assist with communication. We are a casual group and want to provide a safe and positive environment for everyone.

In light of Covid-19, we will be following these safety guidelines:

- The New Executive Order states that everyone should wear a mask indoors regardless of vaccination status. We appreciate you following this guidance. All of us also should continue to wash our hands or use hand sanitizer.
- Stay home if you are sick or exhibiting symptoms.
